Key							
Toitū te Waiora Developed Qualification							
On-job training							
Non-Toitū te Waiora Developed Qualification							
Mātauranga Māori Qualification							
No current programme							
Ringa Hora WDC has qualifications of interest to the health & disability sector in cleaning, security, catering, case management, business skills and public sector skills.							

*Kaiāwhina is the over-arching term to describe non-regulated care and support roles in the health and disability sectors. The term does not replace the specific role titles, for example: healthcare assistant, orderly, caregiver, mental health support worker.

For more information: www.kaiawhinaplan.org.nz OR www.toitutewaiora.nz

NB. Sub-degree programmes unrelated to these qualifications are also available at learning institutions such as Te Pūkenga, PTEs and some universities.
